OUT 1053 / 2073

P.W.D.

'E' Br.

Some time back, a press note was issued by the C.E., B.E.G., inviting ~~for~~ applications for training in foreign firms in consideration of the orders for various equipments ~~for~~ for the Grid projects placed with them. When placing orders with the foreign firms, a contract was entered upon that they would agree to train a number of Indian Engineers on their construction works. Accordingly, applications were invited by the C.E., B.E.G. The training, (including the cost of passage) to be at the expenses of the candidate himself. ~~including the cost of passage~~. In response to the above ~~refd~~ to press note, one Shri P.T. Desai, Mechl. overseer in the S.C., has applied for training. Though Shri Desai in his letter* addressed to the C.E.,B.E.G. has not specifically made any mention of the "press note" and has given the subject as "Govt of Bombay's scheme for providing training facilities in foreign countries," from the details in the application it can be seen that the application is in response to the 'press note'

application kept below on case board

*Slip 'A' below

2. Shri Desai had already forwarded the original application to the C.E., B.E.G., so as to reach in time. A copy of the same is forwarded through
